

Call for Paper

Invited Session on Innovative Computing Technology for Digital Living **Session Organizer: Prof. Yi-Hui Chen**

We are organizing an invited session on Innovative Computing Technology for Digital Living for DLT-2017, which will be held in National Chiayi University, Taiwan on June 24-25, 2017. It brings together researchers working across this field to share their experience and discuss advanced techniques. Topics of interest include, but are not limited to:

1. Multimedia Related Image Processing Techniques
2. Video Coding
3. Background Modeling for Video Surveillance
4. Information encryption/Privacy protection
5. Secret communication techniques/protocol
6. Copyright protection/Robust watermarking techniques/Fragile Watermarking
7. Data Hiding/Image Authentication/Fragile Watermarking
8. Secret sharing/Visual cryptography
9. Mobile information security related issues and techniques
10. APPs related security issues and techniques
11. Cloud related security issues and techniques
12. Security related security issues and techniques on Big data
13. Other emerging security to innovative computing related approaches

Submissions:

Each paper should follow the DLT-2017 format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 8 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to: Prof. Yi-Hui Chen at chenyh@asia.edu.tw .

Important Dates:

Deadline for paper submission: March 15, 2016

Notification of acceptance: April 15, 2016

Deadline for camera-ready manuscript submission: April 22, 2016
